# SCREEN DOOR.

---

In offering our Screen Doors to the public, we do so feeling confident that we present Doors unequaled by any other in the market.

## Superior Points of Our Screen Door.

1. It has an extra inch on both length and width of frame that may be planed down to make the screen PERFECTLY fit any casement.

2. It has no corner braces or brackets to loosen and allow the screen to sag, but the corners are firmly MORTISED and GLUED and will NEVER SAG.
